- *Get better while having fun*
- *Attention to detail, safety and the individual*
- *Great price*
- *Incorporated sports ministry*

HOW WE ARE TAKING PRECAUTIONS:

- Daily, individual check ins required upon drop off.
- Temperatures scanned using non-contact thermometers
- Parental or designated guardian surveys needed for each player (received after registering)
- Small groups used as much as possible
- Specific drills/activities that promote healthy distancing
- Designated water break areas for each group
- Camp is over before lunch to prevent unsafe distancing
- Consistent sanitation throughout the day
